## INTRAMURAL SPORTS

Sports activities are an integral part of character development at CCCS. Christians are commanded to be different from the world around them, this includes athletics. Jesus Christ is to be the center of all our attention, both on and off the athletic field. As with all school curriculums, integrating the Word of God is our highest priority. CCCS offers an Intramural Sports program for Middle School students. Intramurals are a great way to promote physical activity in a fun yet competitive environment, all in the safety of our own "backyard".

Middle School students have the opportunity to participate on (non co-ed) intramural sports teams by playing hockey, flag football, volleyball, dodge ball, basketball, and soccer.

## STUDENT LIFE AND DEMOGRAPHICS

CCCS offers a wide variety of activities to enrich the growth of our students. We believe that the Word of God should be integrated into all areas of disciplines – spiritual, academic, athletic, and social. This is why we offer a Middle School Mission trip to Peru; we want our students to not only learn the Word of God, but to put it into action. Students travel to Calvary Chapel Pisco where they learn to use their gifts and serve the Peruvian children and their families in this small fishing village that is in desperate need of Jesus' love.

Biblical integration is the mainstay here at CCCS. Each activity, from Algebra to Athletics, is centered on the Word of God. The Bible is applied to daily life in example and lesson by our caring staff and faculty. CCCS students have several opportunities to travel on tours and mission trips not only in our Middle School, but on through the remainder of their educational career as they continue on through graduation at Calvary Chapel Christian School. Our 6<sup>th</sup> graders have an opportunity to travel to Washington, D.C. where they can see firsthand how our country's founding fathers heavily relied on our Lord and Savior.

Our diverse ethnic mix reflects our Southern California location. In addition, our International Student Program also adds to the diversity of our campus. Student life at CCCS is robust, with high participation in athletics, arts, and a wide variety of clubs and activities.

## COMMUNITY SERVICE

Students are required to serve the community in an activity of their choice. CCCS is blessed to be represented by our students at numerous children's activities, fundraisers, and other service-oriented events in our local area.

*But if we walk in the light as He is in the light, we have fellowship with one another, and the blood of Jesus Christ His Son cleanses us from all sin.*
