There's frost on the lawn and a chill in the air...winter is here and along with it, the 2nd semester! As we reach this time of year, we're not only enjoying 11/12, but looking forward to the approaching 12/13 school year! So many exciting things coming up...Re-Enrollment, Open House, Open Enrollment...the list goes on! Before this school year slips away, I want to give you an update on what's happening not only in the few months we have left of 11/12, but what we have to look forward to in 12/13.

February, 2012

Re-Enrollment is here! We've been working diligently to make re-enrolling your students as simple as possible. This year we're offering **online re-enrollment**. No driving to school, no waiting in line, no inconvenience...you can re-enroll at midnight in your jammies if you want to! It's quick and easy and best of all...if you choose to re-enroll online, you will receive a **\$25 per student credit** off of your registration fee which is due in June. This is in addition to the *Early Re-Enrollment* per student discount of \$50 available to you if you re-enroll (online or with hard copies) by February 22nd. The online form and \$25 per student credit will only be available from February 1st through May 15th. You can find specifics on the website and we'll email them to you as well.

Open House is also just around the corner! Invite your friends and family to join us for a night of fun and fellowship. The general session begins in the Main Sanctuary at 6:30pm on Thursday February 23rd. Remember, if you refer a new family who enrolls for our 12/13 school year, you will receive a **\$400 per new student enrolled credit**...you can pick up a flyer in the office or give us a call if you'd like the details.

March, 2012

Our **Accreditation** visit is scheduled for the third week of March. Our high school will be thoroughly reviewed by an esteemed group of educators representing ACTS and WASC whom we hold our accreditation with. This will be an exciting time for faculty, parents, and students alike! We look forward to your continued input as we prepare for this Accreditation visit.

April, 2012

iPads are coming! Our Spring Fundraiser will once again be the RACE for Christian Education, of which the goal is to **raise \$60,000 to purchase iPads** for every teacher in our school! Once our teachers are trained and ready, our next goal will be to purchase mobile carts, loaded with iPads, which will travel from classroom to classroom for the student's use.

I hope this gives you a taste of what's coming up. Know that we pray for your family continually and treasure the opportunity the Lord gives us each day to minister to your children.

"But if we walk in the light as He is in the light, we have fellowship with one another, and the blood of Jesus Christ His Son cleanses us from all sin" 1 John 1:7
